Certified UX Professional having recently graduated from The UX Design Institute. Seeking a UX role where I can further build upon my existing knowledge and transferable skills whilst gaining hands-on experience within the industry. Graphic Design graduate with a keen eye for detail and a flair for high quality presentation. Technically minded with a passion for learning. Quick and keen to learn new skills and methods of working.

WORK EXPERIENCE

2019 - 2020

Customer Advisor, Association of Chartered Certified Accountants. Responsible for responding to customer emails and telephone calls, ensuring excellent levels of service are consistently delivered. I also helped with training grabday remotely during Covid-19 lockdown.

2019

Large Format Printer with Daw Signs. Operation of Rho P10 printer, artwork ripping and management of print schedule

2017 - 2018

Digital Department Manager with Smart Graphics. Responsible for the running of three HP Latex machines and the general management of the department with regard to data capture and workload spread. Ripping files with Onyx as well as some artworking where required.

2016 - 2017

Large Format Printer with Service Graphics. Operation of Rho P10, Mimaki JV300, HP Latex and Inca Spider printers. Caldera RIP software.

2010 - 2016

Prepress Supervisor with Agripa. Managed a small team who were responsible for conducting preflight checks on supplied files, creating and reformatting artwork for a client base that included well known supermarkets, retailers and in excess of 270 local authorities. Also providing assistance across the company with various marketing materials. Provided client mock-ups and image retouching as well as several product design and development projects. Internal ISO auditor. Previous roles also included Mac Operator and Print Finisher.

TRAINING & QUALIFICATIONS

2019

Professional Diploma in UX Design studied through The UX Design Institute and accredited by Glasgow Caledonian University

2006

Evening Class in Web Design and Authoring at Glasgow Metropolitan College.

2001 - 2003
